

May 10, 2009

Dear MBC Member:

Welcome to another season at the Madison Beach Club. We are looking forward to the 2009 summer. The season will begin on Memorial Day weekend when the beach and bar will be open. Plan on joining us on Saturday night for music fun and a chance to greet old friends.

We are delighted to welcome back Bill Carroll who has been busy this winter preparing for our best year ever. Glenn Marshall will also be back running our tennis program. As usual we will have familiar faces returning to staff the club as well as some new ones, so be sure to make them all feel welcome.

As always, we welcome your comments and suggestions, and this year, utilizing the cost savings provided by the internet, will be reaching out to our membership more formally for your input. Your views and opinions will help us make the club even better, as well as facilitate our long term planning.

Despite the challenging economic times, our returning membership and new members will give us a full house. We are appreciative of all the volunteer hours our members give so willingly to the club, and thank you in advance for your contributions this summer.

We would like to extend the offer to prepay your capital assessment for the years 2010 through 2013, at an attractive discount which will allow the Club to reduce the debt more quickly, and give members an opportunity for significant savings. The following chart lists the amounts for prepaid discounted assessments by various membership types and ages and would prepay assessments for the years 2010 through 2013. The 2009 assessment **is not** included in these amounts as it was included in your dues bill. If you have any further questions please contact Karen Kelly at [dkkelly@snet.net](mailto:dkkelly@snet.net) or 203-245-9657.
